It has a wonderful south-facing aspect and offers expansive sea and mountain vistas. Several first-rate amenities are within a short distance of the property, including supermarkets, sports facilities, beach, the bustling Puerto Banus with its upscale shops and restaurants, and nightlife. The villa benefits from being located in a gated neighbourhood with round-the-clock protection. This lovely family home mixes Andalusian flair with a contemporary, light-filled interior. With four bedrooms, each with their own bathroom, and a fully equipped open concept kitchen with direct access to terraces with summer dining, it is spread out over three floors. It is a stylish, professionally designed home with a ton of recreational amenities so that every visitor may take full advantage of the ideal indoor-outdoor lifestyle. The garden, which boasts stunning views of the sea and La Concha, also has a sophisticated chill-out area with sunbeds, an elegant swimming pool, and a relaxing outdoor living space. Also, there are two bedrooms with en-suite bathrooms, one of which has a dressing space, on this main floor. The master bedroom, which has an en suite bathroom and dressing area, takes up the entire first floor. Moreover, there is a sizeable patio that receives all-day sun.
