Duplex Penthouse with Spectacular Sea, Mountain, and Harbor Views

Exclusive high-rise property that combines spaciousness, light, and panoramic views in a peaceful setting, ideal for both a permanent residence and a short break.

The home is spread over two floors. On the main floor, a spacious living room with a fireplace opens onto a large covered terrace with unobstructed views of the sea, mountains, and pool. It also features a fully equipped separate kitchen, a bedroom or office, and a full bathroom with a shower.

On the upper floor, a hall with a built-in wardrobe houses two double bedrooms with their own wardrobes, two full bathrooms (one en suite with a bathtub), and access to two open terraces that allow you to enjoy the surroundings without obstructing views.

Includes two parking spaces and a storage room.

Central air conditioning on each floor.

The development offers green areas, two swimming pools, a paddle tennis court, and a well-maintained environment.

All necessary services are just a few minutes away: the train station is 700 meters away, a bus stop, and Las Presas municipal park with a children's and sports area.

The home comes freshly painted and unfurnished, ready to be customized to your liking.
