Welcome to this rural land in Tarifa with a history dating back to the Second World War! This incredibly large plot has 11 hectares of open space, with multiple buildings that are free to be restored and refurbished - some of which were officially used by the military. This land is ideal as a weekend retreat on a finca, an outside-the-city farm opportunity, cultural point, or a casa hormigon "concrete house" - the possibilities are endless, and it is a great investment for future opportunities.
