Costa del Sol, Fuengirola

Discover a unique 3-bedroom middle floor at the corner of the building, where no one lives above you—offering privacy, light, and a peaceful ambiance rarely matched. The living room flows directly into the main bedroom through a sliding glass wall, allowing you to open up the space fully when you choose or close it for intimacy. With an extended living area that stretches to a side terrace framed in full-height glass, you'll enjoy sweeping Mediterranean views from multiple perspectives. Throughout, rich wooden floors are complemented by real wood accents along the walls and ceilings, adding warmth, texture and natural character to every room. Step outside and sink into your private jacuzzi under the stars in your own outdoor sanctuary. This home combines architectural elegance with resort-level living, all wrapped in a layout that feels expansive, airy, and absolutely exceptional.
