Costa del Sol, The Golden Mile

Nestled in the prestigious Lomas de Marbella Club on Marbella's Golden Mile, this architectural masterpiece redefines contemporary Mediterranean living. Spanning 1,460 m² on a 1,010 m² plot, the seven-bedroom residence offers an exceptional fusion of elegance, privacy, and natural serenity. Wood and stone dominate its design, infusing every space with organic warmth and creating a seamless dialogue between interior comfort and the surrounding landscape.

The layout has been meticulously conceived to harmonize intimate family moments with open social living. A luminous open-plan living and dining area welcomes you upon entry, connected to a sophisticated light-wood kitchen that anchors the social core of the home. Expansive floor-to-ceiling glass doors dissolve boundaries between indoors and out, leading to wide terraces and lush gardens bathed in Mediterranean light. This level also features a private guest suite with independent terrace access for ultimate comfort and discretion.

On the upper floor, three tranquil bedrooms include two guest suites opening onto the terrace and a master retreat with a walk-in closet and a spa-inspired bathroom featuring a rain shower and freestanding bathtub.

The lower level is dedicated to leisure and well-being, complete with a wellness spa, hammam, gym, wine room, home office, playroom, and an additional en-suite guest bedroom with garden and pool access.
