???? Main House:

It offers 3 bedrooms, 2 bathrooms, a spacious living-dining room with TV area, and a modern fully equipped kitchen with Siemens appliances. The entire house benefits from underfloor heating, air conditioning, and state-of-the-art solar panels capable of generating enough energy to run the property without external electricity consumption.

???? Guest House:

Comprising 2 bedrooms, 1 bathroom, and its own kitchen, it is perfect for family, guests, or as an independent space for young adults.

Outside, the property boasts a fully renovated heated swimming pool, ideal for year-round enjoyment. There is also a barbecue area and a chill-out space with a Balinese bed – perfect for relaxing and enjoying the Mediterranean climate.

The villa also offers private parking for two vehicles, an outdoor laundry area, and a spectacular rooftop solarium with sea views.

Additional features include an Energy Performance Certificate rated A, reflecting its high efficiency, and a First Occupancy Licence (LPO), ensuring full legal compliance for both residential and touristic use.

Located just one row back from the beach, the villa provides direct access to the sea in less than 30 seconds on foot – making it a perfect choice as a main residence, holiday home, or high-return investment property.
